

Screen Nature Ultimet⁴ is the ultimate screen fabric for roller blinds. The fabric is made of 100% glass fibre and is coated with a highly reflective metal layer on the back. Screen Nature Ultimet⁴ combines a high visual comfort with the best possible heat reducing properties. Furthermore it has a superior fire rating and is PVC free. Screen Nature Ultimet⁴ is specifically suitable for projects with high demands on the technical performance of the fabric. It can contribute to higher scores in Green Building certification systems like BREEAM and LEED.
